THE QUICKSILVER ACTIV RANGE HAS ALWAYS PERFECTLY BLENDED FUN AND STYLE WITH PRACTICALITY AND SAFETY.

The evolving direction of the Quicksilver Activ range now builds on this strength with collaborations between highly experienced designers, engineers and naval architects from the Brunswick Group, a leading force in the boating world. A strong partnership that has led to an even greater line-up of fun boats with true integrity and depth.

Quicksilver Activ promises a world of style and innovative use of space made possible by the best in class length to beam ratio which also increases stability. A confidence further heightened by the deep V hull design creating a form that cuts through water efficiently and comfortably. A direct result of one of the most experienced naval architects in the industry being part of the team behind Quicksilver Activ.

So as you can see, we take fun very seriously. Welcome to style and substance.

WELCOME TO THE BOWRIDER RANGE FROM QUICKSILVER.

The moment you look at an Activ, you know that it's designed for pure fun.

It's about fluid yet solid forms with soft lines and sharp, cut-through shapes creating a dynamic, sporty tension that says it's playtime. Purposeful designs still true to the essence and character of the original sketches; that spontaneous spark of inspiration. Creativity founded on experience, considered development and insight gained through solid research into the needs and desires of boat users resulting in a range of boats that offers you true freedom with the reassurance of structural and engineering integrity. Everything underpinned by safety, comfort and versatility. So you can cruise, water ski, or just soak up the sun with complete peace of mind. And with ease.

This is Activ.
Built on understanding.
Shaped by you.
Created for escape.

SMART EDITION THE BEST WAY TO GET THE OPTIONS YOU NEED

People are different.
So why should every boat be the same?
We have designed our boats for optimal use,
but we know that everybody has their own preferences.
That's why we are introducing the Smart Edition.

The Smart Edition gives you what you need:
a variety of option sets that are most
frequently requested by our customers.
So you can be sure you get the options you want.

Best of all, the Smart Edition has short delivery times and is
probably already available at your local dealer right now –
you'll be on the water before you know it.

ACTIV 755 BOWRIDER

BE ONE WITH THE WATER

The Activ 755 Bowrider is Quicksilvers' flagship model in the Bowrider range. The sporty and spacious bow rider combines comfort with design and performance. It's a smart choice if you want to take family and friends out for a day of delight on the water. The Activ 755 Bowrider fits 8 and is compatible with Mercury engine configurations from 150 to 300 hp, ensuring powerful and safe navigation at all times.

| | |
|-----------------------------|-----------|
| Length Overall (m) | 6,99 |
| Length of Hull (m) | 6,91 |
| Height - Without Canvas (m) | 2,03 |
| Dry Weight (Kg) | 1446 |
| Fuel Capacity (L) | 280 |
| CE Design Category | C |
| Maximum Number of People | 8 |
| Maximum Power (HP/KW) | 300 / 221 |

SAFETY

Accessibility features include a wide cockpit entry, smartly positioned handrails all around, easy walking access from bow to stern and swim platforms to slide into the water.

With its deep cockpit, the boat is also suitable to take children along for a safe ride. A full windscreen with windscreen wiper adds to the weather protection.

DESIGN

The distinctive external lines of the Bowrider serie add to the Activ 755 Bowrider's sleek and sporty look. The bicolor helm, sport steering wheel and tinted windshield both look sharp and help you to drive safely. More design features are seamlessly integrated all over the boat, such as stylish armrests, cup holders with LED lighting and laminated teak flooring. Upgrade options like the permanent galley allow for an even more luxurious experience.

COMFORT

The pilot seat is a comfortable bucket seat with flip bolster and swivel. Next to it, the Activ 755 Bowrider has a double bidirectional co-pilot seat. That means there's room for 2 people to either look at the uncharted waters ahead or to enlarge the dining area or sun lounge in the cockpit. And, if you fully want to go for the sun you can convert the bow area in a full sun lounge as well. The ergonomic helm station features a tinted windshield, SmartCraft instrumentation and an optional 9" Simrad GPS/chartplotter. Dedicated storage area is available in front of the co-pilot seat and at all corners of the boat.

VERSATILITY

The Activ 755 Bowrider's versatility is most at play in the cockpit area. Its default configuration provides ample space for socializing and dining with the removable teak table. A fully enclosed canvas keeps you dry and warm on rainy days. Better weather calls for the chaise lounge set-up. Switch between reading and relaxing with the 120° inclinable backrest. And when the sun's really out, you convert the cockpit into an extra-large sun lounge.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10 % when compared to ordering options separately and this edition is probably already available at your local dealer right now.

ACTIV 755 BOWRIDER

1&2

Versatile cockpit area, suitable for cruising and dining. Double co-pilot seat with bi-directional seat backrest and storage underneath the seat

Optional permanent galley with integral sink, cutting board and LPG stove

- 16.** Large bow seats with integrated armrests and blue LED cup holders
- 17.** Unique bow drain system avoids water to accumulate and flow into the cockpit

ACTIV 675 BOWRIDER

IN TOUCH WITH THE WATER

The Activ 675 Bowrider is a great boat to stay in touch with the water. Up to 7 people pick a spot in the bow area or in the cockpit. Not a single inch of deck surface is left unused, yet the designers still found a way to integrate a compact, functional cabin.

| | |
|-----------------------------|-----------|
| Length Overall (m) | 6,48 |
| Beam Maximum (m) | 2,46 |
| Height - Without Canvas (m) | 1,83 |
| Dry Weight (Kg) | 1274 |
| Fuel Capacity (L) | 230 |
| CE Design Category | C |
| Maximum Number of People | 7 |
| Maximum Power (HP/KW) | 225 / 165 |

SAFETY

Safety begins at the helm station. It holds ample space for optional navigation and engine hardware such as a GPS/chart plotter, Mercury VesselView Link, Active Trim and Zipwake Dynamic Trim Control. This equipment will help you get even better handling and get the best performance while reducing the consumption. The Mercury engine itself ensures a sporty and reliable handling from 115 up to 225 hp. Also, a deep cockpit and high freeboard at the bow allow for both children and adults to sit down and move around on the boat in all safety.

COMFORT

The bow is separated from the rest of the Activ 675 Bowrider by an access door with a drain system to keep the cockpit dry. A conveniently designed portside walkway makes it easy to go from stern to bow and back. There is no level difference between both areas and the whole of the surface remains at your disposal at all times. Piloting comfort is a given thanks to twin bolster seats on a polyester pedestal base and twin cup holders. Cheers!

VERSATILITY

Did you cruise towards your favourite spot on the water? Or do you just feel like a quick break? Awesome idea! Option 1: switch the position of the backrest to face the water when you are relaxing on the aft seat. Option 2: mount the dinner table. Option 3: convert the cockpit area and/or the bow into large sun lounges. In the cabin, you decide what to add: a pull-out sea toilet, a sink, a fridge drawer or all of the above.

STORAGE

The Activ 675 Bowrider has storage underneath the swim platform, the aft seat and the cockpit seats. All of that space is available for whatever you want to bring on board. Do you also want a bimini with enclosure? If so, no need to ask yourself where these things go: there's integrated storage that facilitates quick deployment.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10 % when compared to ordering options separately and this edition is probably already available at your local dealer right now.

20. Optional sink
21. Optional refrigerator

ACTIV 605 BOWRIDER

THE GREAT ESCAPE

You'll have no trouble surrounding yourself with friends and family in this sporty and generously-proportioned bow rider. The Activ 605 Bowrider has a large bow area with a generous u-shaped seating area which converts into a cozy sun lounge, making the perfect environment for relaxing family trips and a sporting day out with friends.

| | |
|-----------------------------|-----------|
| Length Overall (m) | 5,73 |
| Beam Maximum (m) | 2,29 |
| Height - Without Canvas (m) | 1,85 |
| Dry Weight (Kg) | 895 |
| Fuel Capacity (L) | 110 |
| CE Design Category | C |
| Maximum Number of People | 6 |
| Maximum Power (HP/KW) | 150 / 110 |

ACTIV 605 BOWRIDER

SAFETY

Quicksilver's flair for practical features is further showcased with its integrated deck water management system; running from stern to cockpit it features a gasketed door and bow floor drain. The optimal design of the boat marries good cockpit depth with easy access to the water for a secure feeling afloat.

COMFORT

With a wealth of features which are conspicuously absent in its competitors' equivalents, the Activ 605 Bowrider gives you an enviable combination of space, style, practicality, and comfort for convivial days on the water. The cockpit area is ideal for dining and the 12v cooler is a welcome option for many, keeping food and drinks delightfully fresh on the longest hottest days.

VERSATILITY

Offering a wide range of practical innovations, the Activ 605 Bowrider's bow easily converts into one of the largest sun lounges in its class. And that's just the start of the fun. There's a dedicated waterskiing pole for whenever the mood takes you and, when you want to really cool down, a wide stern creates a bigger area to make getting into the water easier.

STORAGE

As ever, intelligent use of space is a key feature, so the integrated stowaway compartments include multi-use storage area for bulky sports equipment such as the ski mast but also dedicated storage for the fully enclosed canvas. This is also the only boat with 4 storage compartments over the transom area, so dining, diving, fishing, and skiing gear can all be easily accommodated.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10 % when compared to ordering options separately and this edition is probably already available at your local dealer right now.

SPECIFICATIONS

ENGINE SPECIFICATIONS

Choose among our vast range of robust and powerful Mercury outboard engines, the most appreciated of all time. You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water.

Moreover, you will benefit from a national and international network of dealers for service. Additionally, a five-year warranty programme is applicable for all eligible Mercury outboard engines*. The programme will be offered to owners of new Mercury outboard engines**. The warranty applies to Mercury Verado® and FourStroke engines purchased in Europe, the Middle East, Africa and the CIS region.

The five years of comprehensive factory-backed coverage includes labour for failures caused by defects in material or workmanship. What's more, the new warranty is transferable if the engine is sold within the five-year period. The warranty applies to recreational use only.

* Conditions and exclusions apply.

** Provided that all extended warranty conditions are met.
